

TASK 1

Food Ordering App

The Food Ordering App interface is designed with a clean, modern aesthetic. It features a dark green header with the restaurant logo and name. The main content area is white with a light gray border. Navigation tabs at the bottom include Home, Favourites, Orders, and Profile.

- Row 1:** Welcome screen with the restaurant logo and name. A large orange "Get Started" button is centered. The next screen shows a login form with "Welcome!" and "Enter your login information". The third screen is a "Sign Up Account" screen with fields for First Name, Last Name, Email Address, and Password, along with social media sign-up links for Apple and Google.
- Row 2:** The Home screen offers Dine-in and Takeaway options. It features a search bar and a "Search dishes,drinks,desserts" placeholder. Below are sections for "Categories" (Starter's, Main Course, Indian Breads), "Customer Favourite's" (Cold Coffee with Icecream), and a featured dish "Thai Grilled Chicken" with a 20% discount offer. The second screen shows a detailed product page for "Tai Pai Chicken" with an image, description, price (₹389), quantity selector, and an "Add to cart" button. The following three screens show category lists: Starter's, Main Course, and Bread & Rice, each displaying multiple dish items with images, names, and prices.
- Row 3:** Category lists for Beverage's, Dessert's, and Favourites. Each screen displays a grid of items with images, names, and prices. The Favourites screen includes an "Add to cart" button.
- Row 4:** The Profile screen shows user information (Yash Mishra) and a recent order history. The Order history screen lists an "Order delivered" item with a timestamp and a "Rate Order" or "Order Again" button.
- Row 5:** The Order summary screen shows two items: "Tai Pai Chicken" and "Caramel Custard". It includes "Special Instructions" (e.g., "No cherries") and a "Payment Summary" section with a "Pay ₹ 570" button. The next screen is a "Payment Options" screen listing recommended payments (GPay UPI, PhonePe, SBI Credit Card, Axis Credit Card) and UPI Pay by UPI options (GPay, Amazon Pay UPI). The final screen is an "Order Confirmed!" message with a delivery confirmation number (ORDER ID: #IND-112233) and buttons for "Track Order" and "Back to home".
